

## **Frequently Asked Questions**

### **What is Alumni Giving?**

Alumni Giving builds on the impact on the Senior Class Gift and serves to encourage a continued tradition of giving back to the College among Yale-NUS alumni, even after graduation.

### **What will my gift go towards?**

Alumni may give towards any college priority that resonates with them. A full list of Yale-NUS funds that you can give to is available [here](#). These priorities include financial aid, international opportunities, student programmes, counselling and the College Endowment, among others.

### **Why should I make a gift?**

Making a gift allows you, our alumni, to continue shaping our tradition of giving at Yale-NUS even after you graduate. It also sets an example for and encourages future classes of students to give back when they become alumni. Most importantly, Alumni Giving provides the opportunity for alumni to support causes that they were/are personally invested in at the College, including financial aid, mental wellness and international experiences.

### **I already give to other causes. Why should I give to Yale-NUS?**

Consider making gifts to both! Giving to Yale-NUS demonstrates school pride and is a great way to showcase your endorsement of the College and its future. It also shows others outside of the community that Yale-NUS has a strong culture of giving, and encourages future classes to follow in your footsteps.
